

## RESOURCE MANAGEMENT IN PRIMAVERA P6 REL 7

**Duration: 02 days**

### INTRODUCTION

This course provides in-depth resource management training in Primavera P6. The course covers advanced topics in management resource allocation, future-period bucket planning, and resource leveling.

Extended case studies at the end of each day provide an opportunity to apply new skills and functionality. You will first assign resources and analyze their allocation. At the end of the course, you will apply what you have learned to resolve resource overallocation.

Learn to:

- Resource and role analysis
- Bucket Planning
- Leveling resources
- Storing period performance
- Resource reporting
- Create resources and roles

### AUDIENCE

- Business Analysts
- End Users
- Functional Implementer
- Project Manager
